

Pennsylvania Parents and Community Members,

On behalf of the Secretary of Education, Pedro A. Rivera, I'm pleased to invite you to participate in a Stakeholder Feedback Session to discuss the Future Ready PA Index, the Pennsylvania's new school accountability report.

This is the first preview of the digital interface to be offered across the commonwealth. This critical stakeholder engagement opportunity allows you to help shape the design and functionality of the Index by actively viewing a simulated school experience. You are encouraged to join us by registering for one of the following sessions below.
