

Mars Boys' Basketball Camp 2018

The Mars Roundball Club would like to invite ALL INTERESTED BOYS to attend our 2018 Summer Camp. Every camper will be challenged with the drills and skill development that have led the Fightin' Planets to six straight section championships, the WPIAL Playoffs eleven consecutive years, and the PIAA Playoffs seven consecutive years. We have played in three consecutive WPIAL Semifinals and were the **2017-2018 WPIAL 5A Champions**. We also have two appearances to the PIAA State Championship, 2016 & 2018. We have had ten players named all section, two named all state, and one named Gatorade Player of the Year in 2018. Coach Carmody is a five time Butler County Coach of the Year, 2018 Post-Gazette Coach of the Year and the PIAA Coach of the Year in 2016. Since 2005 we have had seven 1,000 point scorers, and our players have set career, season, and game records for: points, three pointers, rebounds, and free throws. Our teams have set season records for three pointers, free throws, points in a season, and shooting percentage. We have also set school records for wins, fewest points allowed in a game, and had the best defensive season in school history. Skill development work includes footwork and conditioning, defense, rebounding, passing, catching and a heavy emphasis on shooting form, shooting drills, and ball handling. Players entering grades 7-9 will also be put through Varsity Level practice session each day of camp. We will have skill contests each day of camp as well.

Grades: For boys entering grades 3-9

When: Monday June 25-Thursday June 28.

Time: 9:00-2:00
