

Mars Area School District's Kindness Celebration 2019

After a year of completing numerous intentional acts of kindness, the Mars Area School District is proud to host our very first

Kindness Celebration!

On June 4, 2019, students in Grades 1-6 along with F.O.R. Club students (Friends of Rachel's) from the Middle School and High School will come together, at the Mars Athletic Complex, (weather permitting) to celebrate a Year of Kindness!

Students Will:

- Enjoy a sing along led by Mr. Bill Wesley (H.S. Science Teacher)
- Give shout outs regarding their building's efforts to demonstrate Kindness
- Congratulate students who were elected, by teachers, as Super Kind Kids
- Enjoy music played by DJ: Mr. Tom Dorsch
- Sing the Star Spangled Banner accompanied by our Grade 6 Band
- Connect all district earned Kindness links together

...How Long is the Mars Kindness Chain?

- Link ALL five student bodies *TOGETHER* in *KINDNESS*
- Eat their school lunch outside (picnic style) with peers and teachers
- Be visited by Super Heroes (Batman, Pink Power Ranger, Wonder Woman, and more!)
- Win prizes
- Watch our local Fire Department, Station 42, spray the hose approximately 100ft feet into the air in celebration of Mars Kindness!

Join in the Fun as we Recognize and Celebrate a Year of Kindness!
Participating Students MUST submit the Signed Parent Permission Form!

“You just may start a chain reaction.”
